Dear Sir:

The following is in response to the Final Office Action mailed July 9, 2002, having a three-month statutory period for response set to expire on October 9, 2002.

The Applicant requests entry of this Rule 116 Amendment because it is believed that the amendments place this application into condition for allowance. Furthermore, the amendments incorporate only those changes required and suggested by the Examiner, and the amendments should not entail any further search by the Examiner, since no new matter is being added or new issues being raised.

The following amendments and remarks are respectfully submitted.
